The **Framework for Higher Education Qualifications (FHEQ)** is a nationwide benchmark used by Higher Education Providers to set and describe the academic level of their programmes:

- Level 4 denotes CertHE (first-year) level
- Level 5 denotes FdA (second-year) level
- Level 6 denotes BA Hons (third-year) level
- Level 7 denotes Master's level

You will be expected to take a certain number of credits at each level during your programme, and this will be explained to you as you make your module choices.

Introduction

Oak Hill College seeks to serve the church of Jesus Christ by preparing men and women for a lifetime of ministry and mission in Britain and around the world. Our mission is drawn from the pattern for gospel ministry set out in Ephesians 4: 11-13: when Christ ascended, he gave gifts to his church, and these gifts are you: pastors, teachers, evangelists, and gospel leaders. As we prepare students for ministry, our goal is to equip them to be Christ's best possible gift to the churches in which they will serve. We hope you are excited by this vision.

To achieve such a vision our programmes are designed to combine rigorous theological education with practical experience and a deepening of each student's personal relationship with Christ; to put it another way, they combine *information* with *transformation*. Students may specialise in pastoral ministry, cross-cultural ministry, or ministry to children and young people, and can study either full-time or part-time. Whatever form their studies take, students undertake their programmes in the context of a learning and worshipping community which includes almost equal numbers of Independents and Anglicans, and which offers the opportunity to listen, debate, reflect, pray and grow in their love for Christ.

The purpose of this Programmes Booklet is to introduce our programmes and to explain a few things about them, including:

- Details of the admission regulations for undergraduate and postgraduate study;
- Information about the different levels of study and how the individual modules we offer combine together to make up your programme;
- Brief descriptions of the constituent modules (both compulsory and elective).

Information about the overall ethos of our programmes can be found in the College's Prospectus (available online at: <http://www.oakhill.ac.uk/contact/prospectus.html>).

When choosing your programme, please note that:

- Oak Hill College operates in partnership with **Middlesex University**. All of our programmes are validated by the University and so, if successful, you will be awarded a Middlesex University qualification at the end of your studies (as set out in the table below). Further information about Middlesex University may be found on its website at: <http://www.mdx.ac.uk>.
- Ordinands training for ministry in the **Church of England** may apply to study on any of the College's programmes specialising in Theological & Pastoral Studies except for the CertHE and PGCert.

The specialisms available within some of the College's programmes are as follows:

- **TPS**: Theological & Pastoral Studies
- **TCC**: Theology for Crossing Cultures
- **TCY**: Theology & Praxis for Children's & Youth Ministry

¹ The Master in Theology (MTheol) is a four-year, integrated undergraduate Master's programme.

² The first two years of the MTheol may be taken full-time or part-time; however, the latter two years can only be taken full-time, resulting in a total of six years for a 'part-time' student.

³ For the Master of Arts, one year constitutes 12 months (i.e. a *calendar year*) and two years constitutes either 22 or 24 months (see pp.17-18 for an explanation of the part-time options available).

⁴ For the Postgraduate Diploma, one year constitutes three terms (i.e. an *academic year*) while two years constitutes six terms (two academic years) and one intervening summer period (see p.16 for more details).

⁵ The PGCert is slightly different: Pathway A requires students to complete both 30-credit modules in one academic year; Pathway B allows students to complete two modules over two academic years (one 30-credit module in each). For formal registration and administrative purposes, Pathway A students will be registered as full-time, while Pathway B students will be registered as part-time (see also p.16 for more details).

Admission Regulations

The information below is correct at the time of publication (June 2017); however, please note that the College is currently undertaking an Admissions Policy Review and that some of these requirements may change as a result. You will be kept informed of any changes that affect you.

1a) CertHE, FdA and BA (Hons) in Theology (all specialisms)

For students under the age of 21 years, one of the following five descriptions is acceptable as the normal minimum admission qualification:

- A GCE or GCSE with passes in five subjects, including at least two at Advanced Level. Passes at Grade 1 in the Certificate of Secondary Education are acceptable in place of passes at Ordinary Level in the GCE;
- A GCE or GCSE with passes in four subjects, including three subjects at Advanced Level. Passes at Grade 1 in the CSE are acceptable in place of passes at Ordinary Level in the GCE;
- A Scottish Certificate of Education with passes in five subjects, of which three are at the higher grade;
- A Scottish Certificate of Education with passes in four subjects, all at the higher grade;
- An Ordinary National Certificate or Diploma at a good standard or the agreed equivalents of the Business Education Council, Technical Education Council, Scottish Business Education Council or Scottish Technical Education Council.

If an applicant does not have the above qualifications and will be over 21 by 31 December in the year of entry, s/he may still be admitted to the CertHE, FdA or BA (Hons) in Theology, provided that the College is satisfied that s/he has the necessary motivation and ability to follow the programme successfully.

Students must also satisfy the College that they have a sufficient command of spoken and written English to meet the demands of the programme. We require all applicants whose first language is not English to take the British Council IELTS test and achieve a score of 7.0 or above, with no less than 6.5 in any individual category.

In addition, students must satisfy the requirements of the FdA in Theology before being admitted to the 'BA year' (degree-level study) of the BA (Hons) in Theology.

1b) BA (Hons) in Theology (Third Year Direct Entry)

One of the following is acceptable as the normal minimum admission qualification:

- The Oak Hill Foundation Degree Arts (FdA) in Theology;
- A degree or diploma considered by the Academic Vice Principal substantially to duplicate the material covered by Oak Hill's Foundation Degree Arts (FdA) in Theology;
- Such other similar qualifications as applicants may submit to the Academic Vice Principal and which are deemed by Middlesex University, on the Academic Vice Principal's recommendation, as acceptable in lieu of the above.

In addition to these academic criteria applicants for direct entry into the third year who would like to specialise in Theology for Crossing Cultures (TCC) must have completed a cross-cultural placement.

2a) MTheol in Theology (specialisms in TPS and TCC)

The MTheol is a four-year full-time integrated undergraduate Master's degree. Entrance requirements for those entering into Year 1 of the programme are the same as for the CertHE and FdA in Theology (specialising in Theological & Pastoral Studies or in Theology for Crossing Cultures as appropriate).

To progress to the third year of the MTheol, students must obtain an average of a 2.1 (B+ on the FdA scale) in the first two years of study and go through an internal admissions process; information about this is provided during the second year and progression into the third year is confirmed after the relevant meeting of the Assessment Board. To continue on to the fourth year of the MTheol, students will need to obtain an average grade of 8 or better for their third-year taught modules and a grade of at least 8 for their third-year short dissertation.

Students must also satisfy the College that they have a sufficient command of spoken and written English to meet the demands of the programme. We require all applicants whose first language is not English to take the British Council IELTS test and achieve a score of 7.0 or above, with no less than 6.5 in any individual category.

2b) MTheol in Theology (Third Year Direct Entry)

Direct entry is permitted into the third year of the MTheol programme. Applicants will normally be required to have a 2.1 in the equivalent of a DipHE, FdA or BA (Hons) in Theology. Students wishing to take certain modules in Biblical Studies as part of their programme must demonstrate a proficiency in Greek or Hebrew at least to the standard of the pre-requisites identified for the relevant Oak Hill modules (as noted on the Module Narratives). Students specialising in Theology for Crossing Cultures should be able to provide evidence of cross-cultural studies or comparable practical experience, and should also have completed an overseas placement.

3) PGCert, PGDip and MA in Theology

The normal entrance requirement for all three programmes is a UK Honours degree in Theology (classified 2.2 or above). Normally, broader degrees in Religious Studies and other subjects will not provide an adequate grounding for these programmes. Students without a degree in Theology *may* qualify for admission if they are able to demonstrate both academic ability and sufficient other theological background.

Students wishing to take certain modules in Biblical Studies as part of their programme must demonstrate a proficiency in Greek or Hebrew at least to the standard of the pre-requisites identified for the relevant Oak Hill modules (as noted on the Module Narratives).

Students must also satisfy the College that they have a sufficient command of spoken and written English to meet the demands of the programme. We require all applicants whose first language is not English to take the British Council IELTS test and achieve a score of 7.0 or above, with no less than 6.5 in any individual category.

Undergraduate Programme Requirements

Each programme is modular in structure, running over three terms each academic year. Modules are rated from 5 to 25 credit points at undergraduate level (Levels 4-6), and at 30 or 60 credit points at Master's level (Level 7). Normally, one academic year of full-time study is worth 120 credits. For the duration of their programme of study, students will choose one of three specialisms:

- **TPS:** Theological & Pastoral Studies
- **TCC:** Theology for Crossing Cultures
- **TCY:** Theology & Praxis for Children's & Youth Ministry

1) CertHE in Theology (TPS, TCC, TCY)

The Assessment Board awards a CertHE (Certificate of Higher Education) in Theology to students who have attained grade 'C' or better in modules worth 120 credits (including all of the compulsory modules). The majority of these modules will be at Level 4; some (elective) modules may be at Level 5 if desired. The normal length of time a full-time student spends on the programme is one academic year of three terms. The CertHE is the same as the first year of the FdA.

The constituent modules for the CertHE in Theology are as follows:

- **Table A** lists the modules which are compulsory for all specialisms;
- **Table B** lists the additional compulsory modules for TPS, TCC and TCY; and
- **Table C** lists the elective modules.

Please note that electives are offered subject to viability (based on class size) and that not all of the electives listed in the Programme Specification are available each year. The list in Table C below comprises the electives which are currently scheduled to run during 2017-18.

Part-time students taking the CertHE over two years:

You will work through your compulsory modules in two halves (Year A and Year B). Each year, the College will ensure that the required **compulsory** modules for the relevant half are offered on a Monday or Tuesday, along with sufficient electives for you to complete your programme; however, other electives may fall on any day of the week, meaning that you will need to make your own arrangements to come in on additional days if you wish to take particular electives in a given year.

In addition, please note that there may be other aspects of your studies and College life which cannot be timetabled for a Monday or Tuesday which you are required to attend e.g. exams, safeguarding training, Communication Workshops etc. The College will, however, endeavour to give as much notice as possible to enable you to make alternative arrangements so that you can attend. Non-compulsory activities such as study skills sessions may also take place on days other than a Monday or Tuesday.

The academic year 2017-18 will be **Year B**, meaning that part-time students entering in 2017-18 will take Year B compulsory modules in 2017-18 and Year A compulsory modules in 2018-19:

2) FdA in Theology (TPS, TCC, TCY)

The Assessment Board awards an FdA (Foundation Degree Arts) in Theology to students who have attained grade 'C' or better in modules worth 240 credits (including all of the compulsory modules). At least 120 of these 240 credits must be at Level 5 or above. The normal length of time a full-time student spends on the programme is two academic years of three terms each.

Students will continue with their chosen specialism (TPS, TCY or TCC) and, following on from the CertHE in Theology, will take the following combinations of modules:

⁸ BD1.1 is a foundational module, and is unique in that it is offered every year; CertHE students must take BD1.1 during their *first* year of study, regardless of whether that is Year A or Year B.

⁹ For part-time students, their weekly church placement (PM1.2, PM1.3 or PM1.4) will normally take place in their home church. A placement will be needed during every year of a part-time student's programme, because a number of assignments will be based in the placement church (e.g. the sermon, talk or Bible study for BW1.1).

- **Table A** lists the modules which are compulsory for all specialisms;
- **Table B** lists the additional compulsory modules for TPS, TCC and TCY; and
- **Table C** lists the elective modules.

Please note that electives are offered subject to viability (based on class size) and that not all of the electives listed in the Programme Specification are available each year. The list in Table C below comprises the electives which are currently scheduled to run during 2017-18.

Part-time students taking the FdA over four years:

You will work through your compulsory modules in two halves (Year A and Year B). Each year, the College will ensure that the required **compulsory** modules for the relevant half are offered on a Monday or Tuesday, along with sufficient electives for you to complete your programme; however, other electives may fall on any day of the week, meaning that you will need to make your own arrangements to come in on additional days if you wish to take particular electives in a given year.

¹² This requires successful completion of GK1.3 or demonstration of equivalent Greek proficiency: equivalent proficiency can be demonstrated through (a) successful completion of an initial 'exemption test', followed by (b) successful completion of a GK2.3 entry test (which will be taken alongside all other students registered for GK2.3).

¹³ This is a Level 6 (BA Hons) module, which requires successful completion of HB2.3 or equivalent.

In addition, please note that there may be other aspects of your studies and College life which cannot be timetabled for a Monday or Tuesday which you are required to attend e.g. exams, safeguarding training, Communication Workshops etc. The College will, however, endeavour to give as much notice as possible to enable you to make alternative arrangements so that you can attend. Non-compulsory activities such as study skills sessions may also take place on days other than a Monday or Tuesday.

The academic year 2017-18 will be **Year B**, meaning that part-time students entering the FdA part of their programme in 2017-18 will take Year B compulsory modules in 2017-18 and Year A compulsory modules in 2018-19:

3) BA (Hons) in Theology (TPS, TCC, TCY)

BA (Hons)-Level modules are coded 3.x and 4.x (for example, HB3.3 or DH4.1). Classes for modules coded 3.x may be shared with FdA-Level students; classes for modules coded 4.x may be shared with Master's-Level students. The Assessment Board awards a BA (Hons) to students who have attained grade 'C' or better in FdA-Level modules worth 240 credits (including all of the compulsory modules), plus a grade of '12' or better in BA (Hons)-Level modules worth at least 120 credits (including all of the compulsory modules). All modules offered at BA (Hons) Level are worth 20 credits each.

The normal length of time a full-time student spends on the programme is three academic years of three terms each, the first two years of which are (effectively) the FdA in Theology. The final 120 credits at BA (Hons) Level must be gained as follows:

- **Table A** lists the modules which are compulsory for all specialisms;
- **Table B** lists the additional requirements for TPS, TCC and TCY; and
- **Table C** lists the elective modules.

As before, please note that electives are offered subject to viability (based on class size) and that not all of the electives listed in the Programme Specification are available each year. The list in Table C below comprises the electives which are currently scheduled to run during 2017-18.

¹⁴ For part-time students, their second weekly church placement (PM2.2, PM2.3 or PM2.4) will normally take place in their home church. A placement will be needed during every year of a part-time student's programme, because a number of assignments will be based in the placement church (e.g. the sermon or Bible study for BW2.1).

In the BA (Hons) Year, there are certain restrictions on the combination of elective modules which can be taken. In essence, elective modules may be chosen from four categories: Biblical Studies, Practical Theology & Ministry, Theology & Church History and Vocational (with some modules falling into more than one category). No more than two elective modules may be taken in each category; however, a short dissertation/project/guided reading project, if chosen, may be drawn from any category, regardless of the other choices. Students may not normally take more than one dissertation/project (RP) module in their third year; in addition, it is not possible to take the same module twice and, as such, a student may not take RP4.8 twice to cover more than one Semitic language (e.g. Hebrew and Aramaic).

Part-time students taking the BA (Hons) over six years will work through their compulsory modules in two halves (Year A and Year B). At CertHE and FdA Level, the pattern will be as described on p.9 and p.12 above. At BA (Hons)-level, the College will **endeavour** to offer one of the required compulsory modules on a Monday or Tuesday during each year; however, this will not always be possible because of timetabling constraints. Therefore, all part-time students will need to come in on other days of the week to complete all other required modules.

In addition, please note that there may be other aspects of your studies and College life which cannot be timetabled for a Monday or Tuesday which you are required to attend e.g. exams, safeguarding training, etc. The College will, however, endeavour to give as much notice as possible to enable you to make alternative arrangements so that you can attend. Non-compulsory activities such as study skills sessions may also take place on days other than a Monday or Tuesday.

4) MTheol in Theology (TPS, TCC)

The Assessment Board awards an MTheol in Theology to students who have completed and passed modules of which the combined value is at least 480 credits (including all of the compulsory modules). At least 120 of these 480 credits must be at Level 6 (BA Level) and 120 must be at Level 7 (Master's Level).

The normal length of time a full-time student spends on the programme is four academic years of three terms each. The first two years are (effectively) the FdA in Theology (specialising in Theological & Pastoral Studies or Theology for Crossing Cultures as appropriate). During Year 3, in addition to the normal TPS/TCC requirements for the BA (Hons) year, MTheol students must take:

- A Short Dissertation (RP4.2) as one of their 'elective' modules
- Postgraduate Research Seminars (non-credit bearing)¹⁶

¹⁶ These will take place monthly on a weekday evening; the details will be announced at the start of the academic year.

During Year 4, MTheol students must take:

- *Either* a Long Dissertation (RP6.4) *or* a Short Dissertation (RP6.2) *and* a Short Project (RP6.3)
- Two taught modules: one *must* be at Specialist Master's Level (coded 6.x) while the other may be *either* at Enhanced BA (Hons) Level (coded 5.x) *or* at Specialist Master's Level¹⁷
- For TCC students, one of their taught modules must be *either* CW6.2 Advanced Islamic Studies *or* DW6.1 Christian Theology of World Religions¹⁸
- Postgraduate Research Seminars (non-credit bearing)¹⁶

In 2017-18, the following Specialist Master's and Enhanced BA (Hons) modules will be available. All are worth 30 credits each, apart from RP6.4 (Long Dissertation), which is worth 60 credits:

Enhanced BA (Hons)-Level Modules	Specialist Master's Level Modules
BD5.1 Justification in the Bible & in Christian Doctrine BS5.2 Advanced Biblical Hebrew Reading BS5.3 The Psalms BS5.9 General Epistles CW5.7 Gospel-Driven Leadership DH5.1 Doctrine of God DW5.2 Global Theology & Practice	BD6.2 Theology in the Old Testament & Today BD6.4 Hermeneutics, Epistemology and the Knowledge of God CW6.3 Science and Christianity RP6.2 Master's-Level Short Dissertation RP6.3 Master's-Level Short Project RP6.4 Master's-Level Long Dissertation RP6.7 Guided Reading Project RP6.8 Guided Reading in a Biblical Language

Please note that it is not possible to take the same module twice and, as such, a student may not take RP6.8 twice to cover more than one biblical language (e.g. Hebrew and Greek) and may not undertake two RP6.7 Guided Reading Projects, even if they cover different subject areas.

¹⁷ Specialist Master's-Level modules (coded 6.x) are open to Master's-Level students only; Enhanced BA (Hons)-Level modules (coded 5.x) share some of their teaching with BA (Hons)-Level students.

¹⁸ Please note that neither of these modules will be offered in 2017-18.

Postgraduate Programme Requirements

All of the College's postgraduate programmes are modular in structure, running over three terms each academic year (plus one summer period for the MA). Modules are rated at either 30 or 60 credit points.

Postgraduate modules are divided into three subject areas (Biblical Studies, Theology & Church History and Practical Theology & Ministry). PGDip and MA students are *encouraged* to take modules across the full range of subject areas, but are not *required* to do so. Individual modules are coded 5.x and 6.x (for example, BD5.1 or DW6.1). Those with the code 5.x are termed 'Enhanced BA (Hons)-Level Modules' and classes may be shared with BA (Hons)-Level students; those with the code 6.x are termed 'Specialist Master's-Level Modules' and classes will consist exclusively of Master's-Level students. The combination of 5.x and 6.x modules which may be taken varies according to the chosen programme, as set out below.

1) PGCert in Theology

The PGCert is a postgraduate qualification of 60 credits. There are two possible pathways:

- **Pathway A:** Both 30 credit modules will be completed during one academic year
- **Pathway B:** The two 30 credit modules will be completed over two academic years (i.e. one per year)

For formal registration and administrative purposes, Pathway A students will be registered as full-time, while Pathway B students will be registered as part-time.

To be awarded a PGCert, students must take the following. Please note that electives are offered subject to viability (based on class size) and that not all of the electives listed in the Programme Specification are available every year. The following is the list of electives which are currently scheduled to run in 2017-18.

TABLE A:

A	Compulsory Elements:	
	Module Code & Title	Credit Weighting
	BD6.4 Hermeneutics, Epistemology & the Knowledge of God	30 credits

	RP6.6 Independent Research Project	30 credits
	RP6.7 Guided Reading Project	30 credits
	RP6.8 Guided Reading in a Biblical Language	30 credits

2) PGDip in Theology

The PGDip is a postgraduate qualification of 120 credits. It may be completed *either* as a full-time *or* as a part-time programme. If full time, the programme runs for one academic year of three terms; if part time, the programme normally runs for six academic terms and an intervening summer period.

¹⁹ These will take place monthly on a weekday evening; the details will be announced at the start of the academic year.

To be awarded a PGDip, students must take the following. Please note that electives are offered subject to viability (based on class size) and that not all of the electives listed in the Programme Specification are available every year. The following is the list of electives which are currently scheduled to run in 2017-18.

3) MA in Theology

The MA is a postgraduate qualification of 180 credits. The normal length of study for a full-time MA is 12 months (normally September to August inclusive), comprising three academic terms and one summer period. A full-time student will study the four taught modules over the three terms, together with dissertation preparation, and will then complete the dissertation package during the summer period. The MA can also be studied part time by students in two broad categories:

- 1) Anglican Ordinands who are already Theology graduates. Normally, their overall programme will be technically full-time, will last two academic years, and will comprise:
 - a) The MA part-time (180 credits over two years)
 - b) A selection of modules from the FdA in Theology (specialising in Theological & Pastoral Studies) to provide specific Anglican training: this will comprise:
 - **MN1.1** Anglican Ministry I *and* **MN2.1** Anglican Ministry II (15 credits each)
 - **PM1.2** Weekly Church Placement I *and* **PM2.2** Weekly Church Placement II
 - **PM2.5** Summer Block Placement
 - **PM2.6** College Weekend Mission
 - c) Elective modules (30 credits) to take the total number of credits over two years to 240.

²⁰ These will take place monthly on a weekday evening: the details will be announced at the start of the academic year.

²¹ RP6.6, if taken, would not count as the Specialist Master's-Level Module because it is not a 'taught' module.

- 2) Those who have a good first degree in Theology, ordained or lay, whose programme is 'truly' part-time, i.e. they are doing no other Oak Hill study alongside the MA.

The normal length of study for a part-time Category (1) student is 22 months (September to June inclusive), comprising six academic terms and one summer period. The student will study the four taught modules over six terms, together with dissertation preparation. Intensive dissertation work is allowed by the intervening summer period, but completion of the dissertation package is only *required* by the end of the sixth term.

The normal length of study for a part-time Category (2) student is 24 months (normally September to August inclusive), comprising six academic terms and two summer periods. The student will study the four taught modules over six terms, together with dissertation preparation. Intensive dissertation work, and finalisation, is allowed by the end of the second summer period.

To be awarded an MA, students must take the following modules. Please note that electives are offered subject to viability (based on class size) and that not all of the electives listed in the Programme Specification are available every year. The following is the list of electives which are currently scheduled to run in 2017-18.

	DW5.2 Global Theology & Practice	30 credits
	RP6.7 Guided Reading Project	30 credits
	RP6.8 Guided Reading in a Biblical Language	30 credits

Please note that it is not possible to take the same module twice and, as such, a student may not take RP6.8 twice to cover more than one biblical language (e.g. Hebrew and Greek) and may not undertake two RP6.7 Guided Reading Projects, even if they cover different subject areas.
