Introduction

- This document provides information about the College’s tuition and accommodation fees for full and part time programme students and their spouses (where applicable).
- Please read it in conjunction with the programme information on the College website and in the Programme Handbooks.
- The fees vary depending on whether you’re studying full time or part time, and in some cases whether you’re studying at undergraduate or postgraduate level.
- It will be worth looking at Section 3a to see what the tuition fees include as they cover provision of a number of things. For example, if studying full time the fees include the provision of lunches; all fees include Middlesex University Registration Fees, and more.
- If you have any queries about anything in this document, please contact the Admissions Office on admissions@oakhill.ac.uk

Details of the DBS check will be provided in the summer before the programme starts; details of the DBS Update Service can be found at <https://www.gov.uk/dbs-update-service>
2. Prior to the DBS check, new students will be asked to complete a residency form. For those who have been living outside the UK for a significant period of time, an equivalent check may be required in addition from the relevant authority in the country/those countries of residence. If needed, the student will be asked to obtain this check, and information about these requirements will be provided before the start of the academic year. The student will be responsible for any costs incurred.
3. Students may incur additional expenses for travelling to their weekly church placements. Ordinands may be able to claim these back.
4. The optional module DM4.2, which is a month-long cross-cultural mission placement followed by a written assignment will incur additional costs. MP2.8, the optional ministry/mission experience placement may also incur additional costs, particularly if done overseas.

7. Handouts are normally provided on Acorn, the College's VLE (Virtual Learning Environment) 48hrs ahead of each class and are not provided in paper format, unless there are particular pedagogical or copyright reasons. Students are responsible for the cost if they choose to print handouts.

14. These fees are subject to annual review. Any changes will be notified to students, normally through the annual publication of this document.

d. Part time programme students taking extra modules for audit or credit

Modules may be taken in one of two ways:

- **Auditing** a module means attending lectures but not submitting any assessments, and therefore no mark, credits or feedback are received at the end.
- **Crediting** a module means attending lectures, undertaking all of the assessment for a module and receiving a mark, credits and feedback at the end.

Fees are charged according to the credit rating of the module and whether it is taken for audit or credit. Fees are payable in the semester the module is running. For modules lasting two semesters, the full fee is charged and payable in the first semester of the module.

A weekly church placement module may be taken as an optional additional module by independent postgraduate students, for whom placements are not part of the programme. Where this is agreed, there will be no additional charge for taking it.

Oak Hill College reserves the discretion to charge appropriate tuition fees in the case of a special programme being agreed for any student.

Section 2: Accommodation Fees

What accommodation does Oak Hill have for full time students?

We offer two broad types of on-site accommodation:

- *Tenancy Agreement* for properties ranging in size from 1-bedroom flats through to 4-bedroom houses each normally occupied by a single household. This could be a student living alone, a married couple or a student with children. This accommodation is unfurnished; normally white goods are provided (a fridge, freezer, washing machine, cooker and, where space allows, dishwasher and tumble dryer).
- *Licence to Occupy Agreement* for shared accommodation where each student has their own study bedroom and shares common areas such as bathroom, kitchen and living room. This is single-sex accommodation. The accommodation is furnished and a pillow, duvet and bed linen are provided.

What is a Tenancy Agreement at Oak Hill?

- Oak Hill offers Assured Tenancy Agreements in unfurnished accommodation until the end of July in the final year of the student's study or unless they request a move to a different property.
- A £500 deposit is payable at the beginning of the tenancy. For those opting to live in flats in the Main College Buildings, the utilities are included in the rent, but the student is responsible for managing their own Council Tax status. In all other properties on the estate, the tenant is responsible for covering utilities except water, and requesting any Council Tax discounts available. Tenants in houses with gardens are responsible for maintaining a tidy garden.
- At the end of the tenancy all tenants are required to carry out an end of tenancy clean.
- A *joint tenancy* applies when two students live in the property. For a joint tenancy, both students are liable for the rent both jointly and individually, plus utilities. This means that one student would be held responsible for the *whole* rent in the event of the other giving up their studies or moving out.

What is a Licence to Occupy Agreement at Oak Hill?

- Oak Hill offers Licence to Occupy Agreements in furnished flats that accommodate up to 6 individual students.
- A £500 deposit equivalent is payable at the beginning of the licence period.
- The accommodation fee payable is for the sole occupancy of one study bedroom and shared use of the communal areas. There are no additional charges for utilities or Council Tax. Students are only responsible for their own fees and do not become liable for the fees of any student moving out.
- The agreement lasts for a maximum of 12 months. A new agreement is issued and signed each academic year. A student in their final year vacates their room by 31 July.
- All occupants are individually responsible for the cleaning of their room and corporately responsible for the cleaning of communal areas.

**Please see Section 3e for reduced fee for final year students.*

College reserves the right to increase rental charges each year within a range of 3%-10%. Rental increases apply from 1 August of the relevant year.

- Please note College is normally not able to allocate accommodation for part time students. In exceptional circumstances, a part time student may be able to apply for tenancy agreement accommodation which would be reviewed annually. If this is of interest to you, please contact the Admissions Office in July.
- Part time students have the opportunity to book guest accommodation for the nights that they wish to stay in College. For 2024/25 the price per night (room only) for part time students is £33. Information about availability and booking will normally be published at the start of each academic year.

The MDT set the fee and maintenance figures for ordinands.

C2 – additional information for single Ordinands in Licence to Occupy Agreement accommodation

- Single ordinands in Licence to Occupy Agreement accommodation will receive from their diocese a budget form to complete and will be asked for vacation accommodation dates. The vacation dates for 2024/25 that apply for these ordinands are:

- If you have any questions about how to translate these dates and figures onto your budget form, please contact the Admissions Office on admissions@oakhill.ac.uk
- Single residential ordinands living in College Licence to Occupy Agreement accommodation have historically been entitled to three meals a day, seven days a week during term time. As College does not provide breakfasts, weekday evening and weekend meals, a rebate is provided for single ordinands living in College Licence to Occupy Agreement accommodation.
