Postgraduate Courses in Theology, Ministry and Mission

Provisional Module Offerings*

Students must normally study at least one module (20 credits) per semester. When two modules appear in a slot, students will need to choose which module to take. Modules with bracketed titles indicate the official Durham Common Awards module title.

The following tables show the full provisional timetable for 2027-2030 and some example pathways.

Note that students on the PGCert may take up to 20 credits at Level 6 [or biblical language modules at Levels 4 and 5]. Students on the PGDip or MA may take up to 20 credits at Level 6 [or languages at Levels 4 and 5]. These modules must be attended, in person or online, at their timetabled times, which may fall on any day of the week.

**All module offerings are subject to change as part of our standard terms and conditions.*
