Introduction

- The fees vary depending on whether you're studying full time or part time.
- It will be worth looking at Section 2a to see what the tuition fees include as they cover provision of a number of inclusive items. All fees include Durham University Registration Fees, and more.

c. Additional costs

Please note that:

1. All students required to have a DBS check done will be encouraged to sign up for the Update Service, which is currently £16 per year. This is charged at the cost of the government service. Details of the DBS check will be provided in the summer before a placement module is taken; details of the DBS Update Service can be found at <https://www.gov.uk/dbs-update-service>
2. Prior to the DBS check, students undertaking a placement will be asked to complete a residency form. For those who have lived outside the UK for a significant period of time, an equivalent check may be required in addition from the relevant authority in the country/those countries of residence. If needed, the student will be asked to obtain this check and will be responsible for any costs incurred.
3. Students undertaking a weekly church placement may incur additional expenses for travelling to their placement. Ordinands may be able to claim these back.
4. Students who wish to engage in a cross-cultural placement as part of TMM3341 Independent Learning Project may also incur additional costs, particularly if done overseas.
5. Some of the compulsory and optional modules have a required text to purchase. Up to date details are provided to new students from July onwards prior to starting at College.
6. Handouts are normally provided on Acorn, the College's VLE (Virtual Learning Environment) 48 hours ahead of each class and are not provided in paper format, unless there are particular pedagogical or copyright reasons.
7. For printing and photocopying, students are charged:
 - a. 5p per page of A4 for black and white
 - b. 13p per page of A4 for colour
 - c. 10p per page of A3 for black and white
 - d. 26p per page of A3 for colour
8. Students are responsible for library material held on loan and are expected to pay the replacement cost of anything lost or damaged whilst in their care.
9. In the case of failing an assessment (obtaining a total mark of 39% or below), please note that resit fees will be charged as follows:
 - a. Non-exam component: £60 per component
 - b. Exam/online assessment resit: £90 per exam
10. The charge for replacing an ID/Access card is £10.
11. After graduating with an award, former students are welcome to request an additional Diploma Supplement/Transcript. The administrative charge for this is currently £50 (£80 for pre-2001 leavers).

12. Graduates who request a replacement graduation certificate from Durham University will be charged the replacement fee. For 2025/26 this was £35; it may be subject to increase for 2026/27.
13. These fees are subject to annual review. Any changes will be notified to students, normally through the annual publication of this document.

b. When are tuition fees payable?

- Students who choose to do the Foundation Award Taster Module will need to pay the fee in full before the module commences.
- For all other students, tuition fee bills are issued at the start of the academic year. They can be paid upfront with one lump sum or by standing order (dividing costs over the number of months a student is with us).
- Fees must be paid to keep pace with studies and all fees paid by the end of the course to enable students to complete and/or graduate.
- If you are seeking an alternative payment plan you will need to arrange an appointment with the Director of Operations and Finance.

c. What charges are there for study options for spouses of Oak Hill students?

- With the exception of the Foundation Award and MA in Contemporary Christian Leadership, spouses of programme students have the opportunity to audit modules.
- Auditing a module means attending classes (either in person or online) but not submitting any assessments, and therefore no mark, credits or feedback are received at the end.
- A spouse may audit in one year up to 50% of the credits their student spouse is taking that year. There is no charge for this.

d. How much do lunches cost?

- Foundation Award students**

- Foundation Award teaching is delivered online. If a Foundation Award student wishes to eat lunch on any days they are in College (e.g. to use the Library), they will be charged £5.95 for each lunch they book in for.

- Other TMM students**

- Full time students are entitled to five lunches per week during semester time, in the weeks that College meals are provided for students. For 2026/27 this equates to 163 days in a full academic year when lunch is provided. Please note that the academic timetable is subject to change.
- Part time students are entitled to two lunches per week during semester time.
- An element of the tuition fee is allocated to food costs.
- There are no rebates for meals not taken.
- If a student exceeds their lunch entitlement by booking other people in e.g. family or friends, they are charged £5.95 per lunch (£2.95 for a child lunch 3-11yrs).
- The meal pricing structure is subject to annual review. Students will be informed of any increases for the following year as soon as possible.
