

Sample Module List

This list provides an idea of modules which a student might engage with during their studies at Oak Hill College. Please note that modules taught in any given year may vary dependent on a number of factors including academic programme, focus or ministry pathway, staff availability, timetabling, minimum class size, or other factors. Students usually complete 120 credits at each level of undergraduate study relevant to their programme to complete an award (180 credits at Level 7).
