Knowledge and Understanding		Practical Skills	
A1	A knowledge of the main themes and content of the Bible and a biblical-theological paradigm for interpreting biblical texts	C1	Demonstrate the knowledge, understanding and intellectual skills listed above in written form and/or orally in small groups, and evaluate the work of others
A2	A deeper appreciation of the inter-connected nature of biblical theology	C2	Practice exegetical, hermeneutical and teaching skills in a ministry setting
A3	Further knowledge of Christian doctrines and history, and their significance for the ministry and mission of the contemporary church	C3	Engage in a variety of practical tasks in a ministry setting (such as shadowing a local ministry or leading a team of youth workers) and reflect theologically on their experiences
A4	An awareness and understanding of contemporary Western culture in relation to its variety and its philosophical roots, with enhanced abilities in theological cultural analysis and apologetic method	C4	Practice ethical and counselling skills to pastor individuals from a biblical perspective
A5	An understanding of a range of ethical frameworks and methodologies, and an awareness of Christian responses to various leading contemporary ethical and pastoral issues	C5	Engage sensitively with members of other Western adult or youth sub-cultures, or with other world cultures and faith communities
A6	<i>For those specialising in TCC:</i> an appreciation of the major world faiths and other belief systems, along with a more detailed knowledge of one particular world faith (Islam)	C6	Demonstrate an ability to employ a range of doctrinal tools and methods for theological cultural exegesis and to apply them specifically to one contemporary cultural artefact
A7	<i>For those specialising in TCY:</i> An enhanced understanding of the principles and practice of youth and children's ministry, along with an appreciation of the factors involved in the educational and spiritual development of children and adolescents	C7	<i>For those specialising in TCC:</i> Explain the teachings of another major world faith or belief system to a lay audience, along with ways in which they can further their knowledge of that faith or belief system
		C8	<i>For those specialising in TCY:</i> Speak confidently at children's and youth events and demonstrate the ability to train and lead others in that ministry
		C9	<i>For those specialising in TCY:</i> Counsel a young person in a local church context with reference to appropriate child protection procedures
Cognitive (Thinking) Skills		Graduate Skills	
B1	An enhanced ability to read and understand biblical texts with due regard to relevant contexts, and a more developed awareness of different approaches to reading Scripture with regard to their integrity and usefulness for Christian theology and ministry	D1	Manage time effectively and work to deadlines
B2	Further exegetical and hermeneutical skills for preparing and delivering talks, sermons and Bible studies, and an ability to analyse the work of others	D2	Work and learn independently
B3	An ability to construct doctrines from a biblical basis and to foresee the systematic consequences of a particular doctrinal position or missiological practice	D3	Plan and manage an individual project
B4	A deeper appreciation of a range of historical ministries, movements and controversies and an ability to read further examples of primary historical theological writings	D4	Participate constructively in groups
B5	An enhanced ability to evaluate cultures and ideologies (whether historical or contemporary) and to appreciate the importance of cultural exegesis for Christian life and faith	D5	Map the flow of an argument in a text or worldview
B6	An ability to identify and evaluate issues found specifically in Western adult or youth sub-cultures, which might influence the reading and interpreting of Scripture	D6	Analyse and respond to the pre-suppositions underlying previously un-encountered intellectual positions
B7	<i>For those specialising in TCC:</i> an understanding of a biblical theology of religions, and an ability to critically evaluate both one's own beliefs and those of others in the light of that understanding	D7	Communicate information and ideas to a wide ability and age range and across cultural and sub-cultural differences
B8	<i>For those specialising in TCY:</i> an ability to critically evaluate varying Christian methodological approaches to children's and youth ministry and an ability to select the most appropriate approach for particular situations	D8	Be critically self-aware of personal commitments and character tendencies in a range of social, pastoral and cross-cultural situations
		D9	Understand the principles of the transferability of ideas or practices from one sub-cultural or cultural context to another
