	Guided Reading	RP6.7				X					X	
	Guided Reading (Biblical Language)	RP6.8	X								X	

Programme Learning Outcomes

Knowledge and Understanding	
A1	Have an advanced and thorough understanding of parts of Scripture, their relation to the whole, and how to interpret them
A2	Have an advanced understanding of the interconnectedness of the various elements within the study of biblical studies and theology
A3	Have a thorough understanding of the methodological, philosophical and hermeneutical models and assumptions used in the study of theology
Cognitive (Thinking) Skills	
B1	Critically and reflectively evaluate advanced scholarship in the theological disciplines, applying a variety of critical methods, assessing views and theories and, where appropriate, proposing alternatives
B2	Construct and articulate an integrative, coherent, well-informed, critically-engaged and sustained argument and develop original application of the knowledge and understanding it contains

B3	Engage and interact at a high level with the material/subjects studied, demonstrating an ability to reflect critically on their own particular standpoint and to understand the methodological and hermeneutical issues involved
Practical Skills	
C1	Articulate systematic and creative responses to typical issues arising in Christian theology and ministry, whether nationally, internationally or cross-culturally
C2	Communicate those responses clearly to specialist and non-specialist audiences, using an appropriate range of media
C3	Take responsibility for their own independent learning, and be able and willing to learn new skills as part of a commitment to lifelong learning
C4	[Where relevant]: Understand any ethical issues raised by their research and comply with relevant codes of practice
